

The murderer was Flora.

Victor was in the Garden, alone with Flora.

1 **D** → **R2 C1**. "I was at the Bar": R1 C3 or R2 C1. **F** is in R1 ("I was in the top row"). That leaves R2 C1.

2 **B** → **R5 C4**. "I was the only person sitting in a deck chair": R4 C3 or R5 C4. **C** says "I was northwest of Bruno". That leaves R5 C4.

3 **C** → **R4 C2**. "I was in a corner of the Pool": 5 squares. Not in the rows of **D** and **B**. "I was northwest of Bruno", and **B** is in R5 C4. That leaves R4 C2.

4 **F** → **R1 C7**. "I was in the top row": R1 C3, R1 C4, R1 C6 or R1 C7. Not in the column of **B**. "I was not with Diana", and **D** is in R2 C1. "Nobody was next to a plant". That leaves R1 C7.

5 **E** → **R7 C6**. "I was sitting on a bench": 6 squares. Not in the columns of **D**, **C** and **F**. If **E** were in the Garden, **V** couldn't be alone with anyone (there would be three people in the Garden, there would be too many people at the Pool and he would be alone in the Locker Room and in the Sauna). That leaves R7 C6.

6 **A** → **R3 C5**. "I was next to an umbrella": R2 C5, R3 C5, R3 C6 or R4 C4. Not in the row of **D** or the columns of **B** and **E**. That leaves R3 C5.

7 **V** → **R6 C3**. **V** is left with only R6 C3, in the Garden.
