

The murderer was Edward.

Victor was in the Corridor, alone with Edward.

1 **G** → **R2 C10**. "I was exactly one row south of Alice";

"Nobody was next to a bench"; **C** is in C9 ("I was next to a box" and "I was in the ninth column"): 8 squares. **H** says "I was the only person next to a medicine cabinet". **D** is in C8 ("I was in the eighth column"). **A** says "There were no men in my area". That leaves R2 C10.

2 **E** → **R9 C6**. "I was next to a box": R3 C9, R6 C10, R7 C9 or R9 C6. Not in the column of **G**. **C** is in C9 ("I was next to a box" and "I was in the ninth column"). That leaves R9 C6.

3 **C** → **R7 C9**. "I was next to a box" and "I was in the ninth column": R3 C9 or R7 C9. **I** is in R3 ("I was exactly one row south of Gonzalo"). That leaves R7 C9.

4 **F** → **R5 C4**. "I was in a corner of the Exam Room" and "I was not sitting on a chair": R5 C4 or R7 C5. Not in the row of **C**. That leaves R5 C4.

5 **H** → **R6 C1**. "I was the only person next to a medicine cabinet"; **C** is in C9 ("I was next to a box" and "I was in the ninth column"): 6 squares. Not in the row of **F**. According to her card, **D** has to be in C8. **B** says "I was alone". If **H** were in R9 C10, that would cover that row and that column, which is where all two of **E**'s marked squares are (one in R9 and one in C10), so **E** would have nowhere to go. That leaves R6 C1.

6 **I** → **R3 C3**. "I was exactly one row south of Gonzalo"; **C** is in C9 ("I was next to a box" and "I was in the ninth column"); **D** is in C8 ("I was in the eighth column"): 11 squares. Not in the columns of **E** and **F**. **H** says "I was the only person next to a medicine cabinet". "I was not with Alice". "Nobody was next to a bench". "I was exactly one row south of Gonzalo", and **G** is in R2 C10. That leaves R3 C3.

7 **B** → **R10 C2**. "I was in Treatment Bay 2"; **H** says "I was the only person next to a medicine cabinet": 6 squares. Not in the row of **E** or the columns of **H** and **I**. That leaves R10 C2.

8 **D** → **R8 C8**. "I was in the eighth column"; **H** says "I was the only person next to a medicine cabinet": 8 squares. Not in the rows of **E**, **C**, **F**, **H**, **I** and **B**. **V** is in R4 (by their card). That leaves R8 C8.

9 **V** → **R4 C5**. The victim was alone with the murderer, and nobody could be with him at Admissions or in the Operating Room: R4 C5, R4 C7 or R4 C8. Not in the column of **D**. "Nobody was next to a bench". That leaves R4 C5.

10 **A** → **R1 C7**. "I was in a corner of Admissions": R1 C5, R1 C7 or R3 C5. Not in the column of **V**. All the squares marked for **C**, **F** and **I** are in rows 3, 5 and 7, so those three rows belong to them and nobody else can be there. That leaves R1 C7.
